SPORTS AND ACTIVITIES

Girls Softball

The 1977 Converse High School Girls' Softball Team had a successful season, under the guidance of Coach Larry Patrick. They had better than a .500 season, most of their competition being against AA and larger schools. Converse lost to only one team smaller than AA by one run. The girls placed in the top four teams at the Regionals in Sibley, the only team smaller than AA to do so. They advanced to the State Playoffs in Denham Springs, losing to AA team Redemptorist, the eventual state runner-up team.
